Hello Thunderbirds!

We are looking forward to **Red Ribbon Week** beginning **October 23rd**. It's great to see our students involved and participating in school events. More importantly, Red Ribbon week is about bringing attention to the devastating effects of drugs and alcohol. Every morning a short video is sent to our teachers by famous people that tell their story and give another perspective on how to remain drug free, followed by discussion questions which reinforce a positive message. Please feel free to check out the website and continue the conversation at home with your child. [www.naturalhigh.org](http://www.naturalhigh.org) Please follow Kastner's social media for additional information!

Thank you,  
May Moua  
Principal
