Principal's Message

Thunderbird Community,

It's been wonderful to see our students participate these past two weeks during Character Counts and Red Ribbon Week dress up days. For those who decided to participate, those photos of staff and students have been posted on our Facebook and Instagram pages.

Our guest speaker, Tony Hoffman, did a fantastic job during the assembly talking about the importance of staying drug free. We encourage you to take some time to speak to your student about what was shared at the assembly.

Please be on the look out for the "Returning to School" survey and power point. You will receive a survey via email to select which option you would like for your students. Be sure your email in Parent Connect is up to date, as that will be the email address used to send the parent survey.

As we begin to welcome back athletes on campus please make sure you have your [Athletic Eligibility Packet](#) completed (includes physical) & submitted to the Athletic Office. Physicals are valid for one calendar year. You can view up to date weekly athletic practice times with locations on the Kastner portion of the website; 'About' tab, 'Thunderbird News & Weekly Calendars' tab. While training, athletes and coaches will follow protocol of social distancing, wearing a mask when instructed and to be flexible when pods are assigned. Questions: call 327-2617

Cultural Corner

National Employ the Physically Handicapped Week was established in 1945 by Congress for the first week in October. In 1998 it was renamed National Disability Employment Awareness Month and extended to the entire month of October. In 2001 the Office of Disability Employment Policy took over promoting and maintaining National Disability Employment Awareness Month.
