Hello Thunderbirds!

Welcome to October! It's hard to believe fall is upon us. School is in full swing and hopefully your child is involved in one of our clubs at Kastner. Please check the weekly calendar for club meeting dates and locations. Here's the list with the days they meet:

FCA, Latino, Music Appreciation & Video Game Club meet on Tuesdays

Book, Campus Culture, Pickleball & Random AOK meet on Wednesdays

AASU, Anime/Art, Armenian, Asian, Campus Life, Chess and GSA meet on Thursdays

Also as a reminder, parents and students please cross First Street safely upon arriving at or leaving school. It's always best to walk on sidewalks and cross at street corners, using traffic signals and crosswalks. We appreciate the joint effort with our families in keeping Kastner students safe!

Thank you,  
May Moua  
Principal

### **Red Ribbon Week**

**Red Ribbon Week: October 23—27, 2023**

Beginning October 23rd, Kastner will celebrate Character positivity traits and will join schools across America to celebrate Red Ribbon Week. Red Ribbon Week gives students the opportunity to participate in a variety of activities that promote a drug free lifestyle. During our school's Red Ribbon Week celebration, students learn about the negative effects of using drugs, how drug use can derail a person's goals, and how they can cope with peer pressure, by developing their character through personal responsibility, respect for themselves and others, as well as personal citizenship. This week will also include traditional "dress-up" days & spirit competitions. Be sure to check weekly calendar for dress up day themes. Red Ribbon Week lessons will be conducted in Science classes.

**Follow us daily for updates!**
