### Principal's Message

Thunderbird Community,

On Monday, October 19th we will have a guest speaker Tony Hoffman. Tony has dedicated his life, to bringing awareness around the country, describing how dangerous prescription pill and heroin abuse are, as well as advocating a shift in thinking towards current addiction-recovery processes. After paroling prison on December 13, 2008, Tony Hoffman started living out his dream, with his addiction behind him. Tony is a Former BMX Elite Pro and placed 2nd at the 2016 World Championships in Medellin Colombia in the Masters Pro class.

This will be a YouTube live presentation. Teachers will be able to go on to our Kastner YouTube channel and then share their screens with their students via zoom.
