Principal's Message

Thunderbird Community,

Thank you so much for completing the Return to School parent survey a couple of weeks ago. If you have selected the hybrid/in-person instructional model for your child, please sign and submit the Parent-Guardian Health and Safety Agreement that you received through your email. This link is to ensure there is clear communication of the expectation to safely transition students and staff back onto campus on January 5th, 2021. If you did not receive this email, please contact the counselors office at 327-2613.

A site safety plan video showing what to expect when Thunderbirds return back to campus for face to face instruction, will be shared at our next SART/IDAC meeting on December 14th. The video will include:

- 1—Procedure for drop off and pick up
- 2—Health Screening locations and procedures
- 3—Expectations for students; hand hygiene, face coverings, movement around campus
- 4—How students will access the bathroom, classrooms and common areas
- 5—Care Room Process

Thank you for your support and have a wonderful Thanksgiving!
Mrs. May Moua #GoThunderbirds #TakeFlight
