Principal's Message

Hello Thunderbirds!

I am extremely proud of all our students this semester! In the month of October, a group of stellar students were recognized by their math teachers at a luncheon for showing good character on campus. I am grateful and proud that I get to work with and serve these amazing young future leaders each and every day!

A partnership between the school and home is an important ingredient to the success of your student's achievement. Parents/Guardians, I encourage you to reach out to any of your child's teachers, academic counselor, or administration if you have any questions or concerns about the progress of your child. We value our partnership with you!

Thank you,
May Moua
Principal

Can we REACH YOU in case of an EMERGENCY?

Have you moved? If so, you **MUST** bring in your new proof of residency to the school! PG&E bill, water bill, rental agreement or paycheck stub with new address works great! You can also email your new proof of residency to: brendatoney@cusd.com. Please update any new phone numbers through parent connect or with Brenda Toney at Kastner in the main office for emergency purposes.

Cultural Corner

The month of November is Native American Heritage Month, and is a time to celebrate rich and diverse cultures, traditions, and histories and to

acknowledge the important contributions of Native people. CUSD held a Native American Student Success Conference on November 1, 2023 at Clark Intermediate. Heritage Month is also an opportune time to educate the general public about tribes, to raise a general awareness about the unique challenges Native people have faced both historically and in the present, and the ways in which tribal citizens have worked to conquer these challenges.
