Hello Thunderbirds!

It was outstanding to celebrate Academic Awards on Wednesday, February 7th. Congratulations again to all student recipients and keep up the hard work! If you were not able to join us this time around, we are looking forward to seeing you at the next Academic Awards! Let's aim for 4.0 GPA!

February begins registration for CW area students. Yesterday, Thursday, February 15th CW Counselors were at Kastner to share class options for your students 9th grade year. This took place during your students AB class. This is for our current Kastner 8th graders only. On Wednesday February 21st, CW area Counselors will be back at Kastner to go over your student's class selections. Please make sure your student has this completed. Any changes after that date can be done at CW by appointment only with your students counselor.

Our students and school safety continue to be a priority for our Kastner staff and administration. If your child hears or see something, please say something to an adult on campus. We also have an anonymous tip line that students can make reports to administration.

Thank you,  
May Moua, Ed.D.  
Principal
