Principal's Message

Hello Thunderbirds,

We have had a successful school year, many thanks to your hard work and support. I can definitely say our 8th grade students are ready to tackle any challenge and access the opportunities at Clovis West.

Our current 7th grade T-Birds have impressed us all year long and we look forward to them making their mark and leaving their legacy next year at Kastner.

A little quick reminder we have a lot of fun activities planned for the end of the year for our students. The student's goal is to keep as many points as possible on their End of the Year Contract to participate in these activities. As we wrap up please continue to encourage one another with kind words and deeds.

Enjoy your summer break!

Thank you,

May Moua, Ed.D.

Principal
