Principal's Message

Thunderbird Community,

We made it through the first two weeks of Online Learning! Although both weeks have been a trying week for all of us, I believe we've learned a great deal.

On the first day of school we opened the day with an all staff Tik Tok and a Marching Rally. It is important to us that we are still able to show school spirit to our students. We will be using social media to post videos and announcements.

It has been exciting to see our Thunderbirds as they have come to the Kastner Library to come pick up their textbooks, laptops and supplies.

I hope you all had a chance to connect with your child's teachers during our Back to School Night, last night, August 27th. You should have received an email with either a power point or recorded presentation from each of your child's teacher.

Let's Take Flight!

Mrs. May Moua
