Hello Thunderbirds!

We just had our 1st school rally on Friday and the students were amazing! The energy in the gym was electrifying and contagious! Club activities have started up during the lunch period. It's wonderful to see our students interacting with each other. Six week grading period ends September 29, 2023. Please make sure to check your students grades on parent connect periodically.

Just a reminder that once your student is dropped off in the morning, they may NOT leave campus for any reason unless they are checked out by a parent or guardian. Please drop off your student no earlier than 7:45 AM. To keep students safe, we are asking parents to please partner with us on this effort.

Thank you,
May Moua
Principal

September is National Suicide Prevention Month!

Suicide can be prevented and people with suicidal thoughts and feelings can be helped.

Many people find that their periods of suicidal feelings are temporary; getting through the immediate crisis can avert suicide attempts. It's important to know that people who have struggled with thoughts of suicide, and even those who have attempted suicide, can and do recover and go on to lead full and active lives.
