Principal's Message

Thunderbird Community,
Clovis Unified has a facilities bond on the November ballot. Some have questioned why now, in the midst of the current pandemic conditions, would the district ask voters to consider this measure?

We need our community's input about CUSD's future. We are out of space in many of our schools and out of money to continue to maintain, update and build new schools. Without new funding, the district will have to consider massive districtwide student boundary changes, double sessions or year-round schools in order to accommodate the growing student population.

It's your school district. Help us decide how Clovis Unified will look in the years to come. We encourage you to learn the facts about Measure A and cast your vote in the November election. More information about Measure A is available at cusd.com/2020Bond.

-Mrs. May Moua

SHORT NOTES

6 Week Grading Period The 6-week grading period ends today, Friday, September 25th. Make sure to stay current with your students grades and assignments by checking Parent Connect periodically.

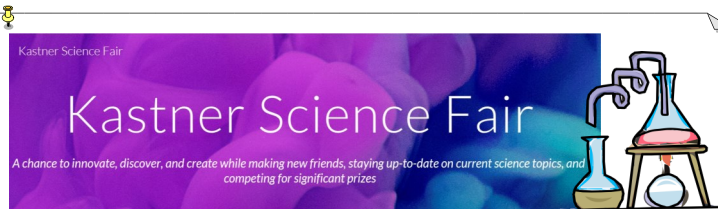

School Pictures On Oct. 26th & 27th your student will have the opportunity to take school pictures for the yearbook. Be on the look out for sign ups.

DID YOU KNOW...

You can check out books from our Library online? It's easy!

On the Kastner website click on the 'Students & Parents' tab, find the 'Library' tab. Click on the blue "Destiny Discover" icon and begin your search. Once you find what you are looking for, put your book on "hold" online and come to the Kastner library with your student I.D. card to pick it up.

Questions? Contact: staceybukilica@cusd.com

Kastner Science Fair

Want to get involved and create a project? Thunderbirds: This is a chance to innovate, discover, and create while making new friends, staying up-to-date on current science topics, and competing for significant prizes. **Contact Ms. Emma Guerrero AND complete a Google Form** found on the Kastner Website under the Academics tab, Science tab **by Friday, October 2nd.**

Academic Resource Labs

If your child needs a little extra help, there are labs available via zoom. Please contact your Math, Science and AB Teacher to get signed up.
