Principal's Message

Hello Thunderbirds!

It's great to see our student-athletes out on the fields, courts, and pool competing against our sister schools these last couple weeks! Athletics and co-curricular programs are in full swing and going strong! Our Thunderbirds are redefining what our new "normal" is now that school is back in full swing with in-person instruction and co-curricular activities.

On a different note, I would like to take this opportunity to share the passing of our beloved Officer Jesse Ceron. Officer Ceron has served at Kastner the past ten years and has touched so many lives through his passion in standing up for what is right and to be proud of one's heritage and what one can become. Officer Ceron was not any ordinary campus resource officer, but he was a man who advocated for students and started the first Middle School Latino Conference for Clovis Unified School District. We will miss seeing Officer Ceron around Kastner, but his legacy will live on.

Thank you,
Mrs. Moua
Principal
