Principal's Message

Dear Thunderbirds,

This is a special time of year filled with joy and thanksgiving for many of us, and it can also be a particularly stressful and emotional time for some of us for any number of reasons. I am thankful for all of you and your unique contributions to Kastner that make our school an amazing place to work, learn, compete, perform, and grow. Small miracles happen at our school everyday when you stop to look around. If students ever need help, we have caring adults in every classroom, office, and corner of campus. Congratulations to all of you for your effort to better yourselves and better our community during this first semester of the 2018-19 school year. While we are so proud of your individual and collective academic achievements, we are also proud of our T-Birds' commitment to serve. Many cans were donated in this year's canned food drive; boxes of gifts were delivered, and countless families in need were anonymously supported because of you. May you have a joyful holiday season, and we will see you next year, January 8, 2019.

Mr. Eisele
